

## Let your dog save your lawn

DOG ROCKS™ are a new and exciting product used to help prevent those nasty burn patches appearing on your lawn when your loving pet takes a pee. Simply place the contents of a DOG ROCKS™ pack into no more than 2 litres of water and your lawns will start to look greener and fresher. They will not bring dead lawns back to life.

DOG ROCKS™ are an all Australian natural product that are safe for your all of your pets, young and old. DOG ROCKS™ will start improving your lawn within 5 weeks. DOG ROCKS™ need to be replaced every 2 months to ensure your pets do the job of looking after your lush lawn.

### PRODUCT DETAILS - DOG ROCKS™ Paramagnetic Igneous Rock

Increases the properties of Boron, Barium, Manganese and Strontium while decreasing Tin levels in water.
