## The Grass is Always Greener With **Dog Rocks**®

### Did You Know?

Dog Rocks filter out impurities such as tin and ammonia from your dog's drinking water, leaving it cleaner and healthier for your pet.

Dog Rocks are great for your dog and great for your lawn.

**BEFORE**

**AFTER**

The Dog Rocks 600g Bulk Pack is great value for people with multiple dogs, or for dogs with multiple water bowls.

160g packet  
also available.
